

PRODUCTION POSITIONS

National Gypsum Company, a manufacturer of gypsum wallboard, has several openings on its production line.

The person(s) we are seeking should have worked in a manufacturing environment with a minimum of one year experience. Responsibilities include monitoring and adjusting production equipment, supplying raw materials, inspecting product, operating a forklift. Qualified candidate should also be able to lift up to 50 lbs. and be able to work while standing as well as work independently. Operation currently runs 12 hours shifts, 3 to 5 days per week. Training will be on 1st shift (6:00 AM to 6:00 PM) but openings are for 3rd shift (6:00 PM to 6:00 AM).

A passing score on a pre-employment assessment test is required. The first 90 days of employment, candidate would work through a temporary agency at a pay rate of \$12.00/hour. After successful 90-day probation is completed, candidate would be hired by National Gypsum Company and the pay rate would increase. There would be subsequent pay increases at 1 month, 3 months, 6 months and 1 year.

National Gypsum Company, a drug free workplace, offers a complete benefit package including a 401(k) with match, paid holidays, life insurance, short-term and long-term disability.

The company is an Equal Opportunity Employer. Employment is contingent upon successful completion of background investigation. Pre-employment drug screening is required. The company participates in E-verify. E-Verify is an internet-based system that compares information from an employee's Form I-9, Employment Eligibility Verification, to data from U.S. Department of Homeland Security and Social Security Administration records to confirm employment eligibility - www.dhs.gov/everify.

The above information on this description has been designated to indicate the general nature and level of work. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities, and qualifications required of an associate assigned to the position. The Company enforces a tobacco-free policy at all its locations.
